EDUCATION

MASTER'S DEGREE IN
COMPUTER SCIENCE
LUTSK NATIONAL TECHNICAL
UNIVERSITY
2018 P. - 2023 P.

SKILL

- HTML, CSS (SASS, LESS, SCSS)
- JavaScript
- TypeScript
- React / Redux
- Next.js
- Zustand
- Git / GitHub

EXPERIENCE

INTERNSHIP AT "VIZOR"

2020-2021

- Contributed to the development of an admin panel for bus schedule management, implementing interactive data visualizations for passenger flow analysis and route optimization.
- Technologies: JavaScript, React, SCSS, Three.js

EDUCATIONAL PROJECTS

2021

- Developed several full-stack web applications as part of academic and personal projects. Focused on building interactive admin dashboards, implementing real-time data processing, and integrating databases for dynamic content management.
- Gained hands-on experience with the full software development lifecycle — from design and development to deployment.

CONTENT MANIA

2022-2025

- Design and develop responsive, high-performance web interfaces with a focus on user experience and cross-browser compatibility.
- Responsible for front-end architecture, UI optimization, and debugging across various devices and browsers.
- Continuously enhance website speed and stability through testing, performance tuning, and code improvements.
